LOW LINE RAMPLESS TRAILERS PREMIUM RANGE

A Quick Overview:

- Starting at 750kg; Upgradable to 2000kg
- Galvanised & zincanneal construction *(plus painted)*
- All trailers manufactured using quality AL-KO componentry for reliability
- Sealant applied to seams for water & rust resistance
- Fully undercoated & topcoated in hammertone enamel
- New 8ply rated light truck tyres on new white spoke rims
- Swing up jockey wheel
- LED lighting
- All our trailers include a 3 month/1000Km free service inspection

On top of all that, any trailer ordered is fully customizable. Choose from a variety of optional upgrades or speak to one of our friendly sales consultants if you are looking for something a little more specific.
